The National Scholastic Athletics Foundation is an athlete-centric organization focused on providing elite competitions and developmental programs to American youth and high school track and field athletes. The NSAF is a tax exempt, non-profit 501 (c) 3 organization.

The NSAF manages a vigorous grant program that enables high school athletes to compete at meets around the country, including the USATF U20 Outdoor Championship. To date the NSAF has provided over $3 million in athlete travel grants.

For more information on the NSAF grant programs and to register for NSAF meets, clinics and programs, please visit nationalscholastic.org.
